

To Whom It May Concern:

There are two good hotels visitors commonly use when staying in the area. They are located near the airport with an easy commute to our plant.

Piccadilly Inn Airport
5115 E. McKinley
Fresno, CA 93727
(559) 251-6000

Marriott Courtyard-Airport
1551 N. Peach Ave.
Fresno, CA 93727
(559) 251-5200

To get to the hotels there are two options:

Exit Freeway 99 on McKinley and follow it to Peach. This is a surface street with stoplights.

or

Coming south on Freeway 99 take the Freeway 41 North exit. This will put you on Freeway 180 East. Go straight on 180 three or four miles. Freeway 180 will dead-end on Chestnut. Turn left (north) on Chestnut and go about one half mile to McKinley. Take a right (east) on McKinley and go about a mile to Peach. The two hotels are across the street from each other. There is a canal south of McKinley so to reach the Marriott one has to get on Peach.

To get to our plant one would go east on McKinley Ave. to Clovis Ave. then make a right (south) on Clovis. Travel about four or five miles to Central and make a left (east). We are located one-quarter mile east of Clovis on the south side of the street at 5427 E. Central Ave. We are the only manufacturing facility in the area.

Ag Formulators Inc.
